

Warm Spaces in Corby

With a cost of living & climate crisis, many of us are facing tough decisions. Some of us have moved to working from home following the pandemic and are facing a winter with increased energy bills. Others are facing even harder decisions about whether to heat or eat.

Churches, voluntary organisations and community groups are working together to establish a network of Warm Spaces across Corby this winter. These include libraries, community centres, church buildings and other places offering a warm welcome and free to use for anyone struggling to heat their home.

Some venues will also offer hot drinks, activities, and other services such as free Wi-Fi. Warm Spaces will be heated, safe and friendly places where you can comfortably spend time reading, working, studying or chatting with others.
