Trading times

You are welcome to trade all week or just on days of your choosing. Trading times are **9am to 5pm Monday to Saturday** and **10.30am to 4.30pm on Sundays**. As spaces are limited, we avoid having traders selling the same items on the same day (eg only one fruit and veg trader).

Payment

There are different rates for different days (Fridays and Saturdays are generally busier with a higher footfall, so rates are higher). Electricity is included. Details are available on request. **We only accept credit/debit cards and payment must be made in advance.**

Insurance

You must provide a copy of your **Public Liability Insurance** when booking a pitch.

Certification

If you are selling cooked food, you will need a **Food Hygiene Certificate** (and a **Gas Safety/Electrical Safety Certificate** where relevant). Vans must have **handwashing facilities** and **fire safety equipment** installed (fire extinguisher and fire blanket). Traders selling **any form of food or drink** must be registered with the local authority where they are based. (See the Food Standards Agency website at <https://ratings.food.gov.uk/>.) Once inspected, please provide **evidence of your rating** to us.

Exclusions

You cannot sell knives, swords, scissors or bladed implements, any goods displaying offensive wording or imagery, toy or replica guns/weapons, drugs or counterfeit and/or unlicensed products of any kind. This list is not exhaustive – a full copy of our terms and conditions is available on request.
